We are now looking for a skilled and motivated

### **ICT ANALYST, Information Management**

to join our ICT team. You will be working as a member of our Information Management Team, using a variety of tools to provide solutions for our businesses around the world. Your main responsibility is to develop and support business reporting and business analytics services in Walki group. You will be working as a project manager or team member in our global projects, closely together with business line and operations functions. The preferred location for the position is Valkeakoski, other plants may be considered.

You should have

- a bachelor's degree in ICT related studies
- minimum 3 years ICT experience preferably in an international production environment
- positive and open customer service attitude
- readiness and willingness to work hands on in the development and maintenance issues
- good team work and communication skills and the ability to build relationships and influence other people
- pro-active and commercial attitude, ability to analyse situations and solve problems
- ability to remain calm, think clearly and proactively, and to prioritize tasks in high pressure and unexpected situations
- experience of project work
- fluent written and spoken Finnish and English - other language skills are considered an asset

In addition you should also have experience of the following applications/tools:

- IBM / Cognos reporting solutions
- ETL processes and data warehousing concepts
- Microsoft Power BI
- Microsoft SQL Server or other modern databases
- Microsoft technologies like AD, O365 and other business solutions

We can offer you an interesting position, initially on a fixed term basis, with good possibilities for personal development in an international environment, and the support of an excellent ICT team.

For more information about the position please contact ICT Manager, Information Management Marko Kinnunen either by phone +358 400 433949 on any working day between 12-13 before the closing date, or by e-mail [marko.t.kinnunen@walki.com](mailto:marko.t.kinnunen@walki.com).

Please send your application as soon as possible, but no later than December 31, 2018 via Sympa link: <https://www.sympahr.net/public/pq.aspx?8a6509c7&lang=en-US>
